# WHO WE ARE

---

**We are a consulting organization and a global leader in the field of transportation, working together to deliver excellence in infrastructure projects.**

MSV is a consulting organization incorporated in the State of Washington, USA in the year 2001. It is a global leader in the field of transportation; having a strong presence in North America, Asia, Africa and South Africa. MSV is an ISO 9001:2015 Certified Company and it stands for the synergy of Management, Services and Value. It is the leading company of MSV Group of Global Enterprises headquartered in Seattle, USA.

# OUR VISION & LEADERSHIP

**Establishing MSV as a world-class consulting organization with a mission to deliver sustainable engineering solutions for our customers & communities On Time, Within Budget, As Promised, Anywhere.**

MSV stands committed to the highest performance standards by fully complying with the requirements of its clients and its Quality Management System.

**We believe in turning our vision into performance.**

“Every experience in your life is being orchestrated to teach you something you need to know to move forward. So observe every pattern as an opportunity of learning, because that’s the ultimate door of success.”

**SURESH MALIK**  
Group Chairman, MSV International Inc.

“Infrastructure sector is highly responsible for fuelling overall development of a nation. We at MSV see it as a great opportunity to engineer meaningful changes to make the life of communities better by creating world-class infrastructure across the globe.”

**PUSHKAR MALIK**  
MANAGING DIRECTOR, MSV GROUP
